WHY RAILTRANS EXPO 2027?

India's Largest Integrated Transportation Technology Platform

RailTrans Expo 2027 is more than an exhibition—it is a global business ecosystem where innovation, investment and industry leadership converge to shape the future of transportation.

Recognised as the **world's second-largest exhibition and conference dedicated to rail and transport technologies**, RailTrans brings together every stakeholder involved in building tomorrow's mobility solutions.

One Event. **Eight Powerful** Industry Segments.

01 AI & Rail Technology

02 Rail Infrastructure

03 Public Transport

04 Carbody & Interiors

05 EPC & Tunnel Construction

06 High Speed Rail & Hyperloop

07 Rail Freight & Logistics

08 Semiconductors

Experience the **Future of Mobility**

Explore cutting-edge innovations across:

- ✓ High-Speed Rail
- ✓ Metro & MRTS
- ✓ Freight Rail
- ✓ Rolling Stock
- ✓ Smart Stations
- ✓ Intelligent Signalling
- ✓ AI & Digital Rail
- ✓ Predictive Maintenance

- ✓ Smart Ticketing
- ✓ Electric Mobility
- ✓ Ropeways
- ✓ Pod Taxi Systems
- ✓ Hyperloop Technologies
- ✓ Connected Infrastructure
- ✓ Green Transportation
- ✓ Advanced Manufacturing

Why **Participate?**

- ✓ Exhibit Your Innovations
- ✓ Meet Global Buyers
- ✓ Launch New Technologies

- ✓ Build Strategic Partnerships
- ✓ Access Government Decision Makers
- ✓ Expand into International Markets

6000+ SQM Exhibition Area | **250+** Exhibitors | **100+** Countries | **10,000+** Trade Visitors

Driving the Next Generation of Global Mobility.

RAILTRANS EXPO 2027 HIGHLIGHTS

RailTrans Conference

Global thought leaders discussing the future of transportation.

AI & Innovation Hub

Experience the technologies redefining mobility.

Live Vehicle Demonstration Zone

Witness cutting-edge transportation systems in action.

Urban Infra RailTrans Awards

Honouring excellence in transportation innovation and leadership.

Curated B2B Meetings

Business matchmaking with buyers, investors and government agencies.

WHO SHOULD EXHIBIT?

Showcase Your Brand Before the Entire Transportation Industry

Whether you are an established multinational or an emerging technology startup, RailTrans Expo 2027 provides the ideal platform to generate business, build partnerships and strengthen your global presence.

Who Will Exhibit?

Railway, Metro, EPC & Infrastructure

- Railway Technology Companies
- EPC & Railway Infrastructure Developers
- Metro Rail Corporations
- Railway Board & Production Units
- Coach, Wheel & Locomotive Manufacturers
- Rolling Stock Manufacturers
- Signalling & Train Control Companies
- OHE, Electrification & Traction Specialists
- Rail Safety & Cybersecurity Companies
- Bogies, Brakes & Mechanical Systems
- Depot Equipment Manufacturers
- Smart Stations & Passenger Systems
- Tunnel Construction Companies
- Consultants & PMCs
- Civil Engineering Firms
- Steel & Metal Manufacturers
- Fasteners & Industrial Components

Mobility & Smart Transport

- Public Transport Authorities
- Bus Manufacturers
- Electric Vehicle Companies
- Smart Mobility Solution Providers
- Traffic Management Companies
- Intelligent Transport Systems
- AFC & Digital Payment Providers
- Plant & Machinery Suppliers

Future Technologies

- AI & Robotics, IoT Solutions
- Semiconductor Manufacturers
- Sensors & Automation
- Digital Twin Technologies
- Research Institutions
- Startups & Innovation Labs

Why Exhibit at RailTrans Expo?

- Launch New Products
- Meet Decision Makers
- Generate Business Leads
- Expand Global Network
- Build Govt. Relationships
- Discover New Opportunities
- Enter Fast Growing Market
- Strengthen Brand Visibility
- Real-Time Market Research

WHAT MAKES RAILTRANS DIFFERENT?

A Complete Transportation Ecosystem

From heavy rail and metro systems to hyperloop, logistics and future mobility technologies—all sectors are represented under one roof.

Global Business Platform

Meet international buyers, manufacturers, investors, operators, consultants and government agencies from across the mobility value chain.

Innovation First

Discover breakthrough technologies transforming transportation through AI, automation, digitalisation, cybersecurity, predictive maintenance and smart infrastructure.

Government & Industry Backing

Supported by leading Government of India ministries and the Chamber of Railway Industries, RailTrans offers unmatched industry credibility.

Live Demonstrations

Experience products in action through vehicle displays, technology showcases and real-world demonstrations.

“ RailTrans Expo is not just India's event but a reflection of India with the world and India for the world.

Mrs. Mamta Shah, MD & CEO, Urban Infra Group

ONE STOP SOLUTION FOR RAIL & MOBILITY SECTORS

Exhibition

The RailTrans Expo provides an exceptional platform for both domestic and international businesses to network, showcase their innovative products and services, and explore new opportunities in the rail and transport infra sectors. It's a premier platform to forge partnerships, meet new buyers/sellers and generate new business.

Conferences

The Global RailTrans Conference will gather Ministers, CEOs, Thought Leaders, Innovators, Industry Experts from around the world, establishing it as a premier global meeting place to discuss the future of rail & mobility, showcase innovative research, and share industry best practices across strategic and technical conferences.

Award Ceremony

The Urban Infra RailTrans Awards recognises the individual and companies for their outstanding contribution in shaping future of rail & mobility through their innovative ideas, products and solutions. The winners are chosen through a very transparent process by the jury comprising of industry experts and notable leaders.

Executive Lounge

The RailTrans Expo offers an exclusive VIP experience for government officials, industry leaders and innovators. The executive club members enjoy private meeting rooms, world-class hospitality, and a comfortable networking space to foster productive connections with global sellers & buyers.

Innovation Hub

The RailTrans Expo offers an exclusive innovation centre where you can present and showcase your cutting-edge technology, products & solutions before the targeted audience. It can help you stay ahead of the curve and grow your company in the process. Our innovation hub is a space to explore ground-breaking ideas and connect with others.

Networking Lunch

The RailTrans Expo offers an exclusive networking lunch opportunities that provides a more intimate setting than other events, allowing attendees to chat and build relationships. It can help you strengthen business connections, get new ideas, foster a positive company culture and advance your professional skills.

RailTrans Expo offers an outstanding platform for domestic & international enterprises to network, exhibit their offerings and pursue new prospects in the rail & mobility sectors through various thematic zones, strategic leadership and technical sessions.

RAILTRANS CONFERENCE AGENDA 2027

- Policy, Investment and Global Competitiveness
- Future of Mobility and Breakthrough Technologies
- Designing the Sustainable Rolling Stock of Tomorrow
- Cybersecurity and Data Governance in a Connected Ecosystem
- Infrastructure of Tomorrow: Smart Cities, Smart Mobility
- Infrastructure 4.0: Smart Track, Bridges, and Station Management
- The Digital Rail and Smart Logistics Backbone
- AI Revolution on Rails: Global Innovations in Smarter, Safer Railway Signaling
- Semiconductor: Powering the Transport Revolution

WHO WILL YOU MEET?

Government & Policy Makers

- Ministers
- Policy Makers
- Secretaries
- Board Members
- City Planners
- Ambassadors
- Consul General
- Embassy
- Advisors
- Economist

Corporate Business Leaders

- Chairman, President
- CEO, Managing Director
- Executive Vice President
- Regional/Country Head
- Sales Director, Manager
- Marketing Head, Manager
- Communications Head
- Commercial Head
- Procurement Head
- Academician, Analyst

Consultants & Technical Experts

- Technical Engineers
- Project Managers
- Health & Safety Experts
- Technology Experts
- Scientists, Innovators
- Operation Experts
- AI & Digital Experts
- Buyers
- OEMs, Suppliers
- Bankers

“Urban Infra Group organized such an important event that, where not only important topic ranging from technological, infrastructure, finance, sustainability, new technology aspects, any many more are covered with very eminent speakers. They also created a forum where top class innovations and achievements of India can be recognized. I'm extremely privileged that I'm a part of this.”

- Prof. Manoj Choudhary, Vice Chancellor, Gati Shakti Vishwavidyalaya, Min. of Railways

“I had the privilege of addressing at RailTrans Expo 2024 on 'Viksit Bharat 2047' and the role of the NHEV initiative. The event was a commendable platform, showcasing advancements in rail, transport, and electric mobility. My compliments to Urban Infra Group & team for delivering an impactful program that brought together industry leaders, innovative solutions, and collaborative opportunities for India's future.”

- Abhijeet Sinha, National Program Director, Ease of Doing Business

JOIN THE FUTURE OF MOBILITY

One Destination. Unlimited Opportunities.

India is witnessing one of the world's largest transportation infrastructure transformations.

RailTrans Expo 2027 is where this transformation meets global innovation.

Whether your organisation develops technologies, manufactures equipment, builds infrastructure, provides consulting services or delivers mobility solutions, RailTrans Expo offers unparalleled opportunities to connect with customers, partners, policymakers and investors.

Who Should Attend?

- Manufacturers
- OEMs
- Railway Administrations
- Metro Rail Companies
- Government Departments
- Infrastructure Developers
- EPC Companies
- Investors
- Technology Providers
- Startups
- Research Organisations
- Consultants
- Academicians
- Procurement Professionals
- Exporters & Importers
- International Delegations

BE PART OF RAILTRANS EXPO 2027 AS

Exhibitor

Showcase products and generate business opportunities.

Partner/Sponsor

Position your brand among global industry leaders.

Conference Speaker

Share insights with policymakers and industry experts.

Visitor

Explore the latest technologies and connect with the transportation ecosystem.

WHY YOU CANNOT MISS RAILTRANS EXPO 2027?

- ✓ Largest integrated transportation platform in Asia
- ✓ World's second-largest rail and transport technology exhibition
- ✓ Global networking opportunities
- ✓ Government and industry participation
- ✓ International exhibitors and visitors
- ✓ Innovation-led exhibition
- ✓ Business-focused conferences
- ✓ Live technology demonstrations
- ✓ Free visitor entry
